Hi Mark and Chris,

We had dinner with Gloselle and David last night and of course we talked about how great it was working with both of you on our garage remodel.

We are loving the new space. My dad and his wife were our first sleep over guests and they really enjoyed it. The kids are starting to use it for hanging out with their friends so we are **really** happy with the way things have turned out and we can't thank you enough for the thoughtful work you put in to making this happen.
